

# Earth, Sea and Sky

Biennial conference of the  
Specialist Group in Geochemistry, Mineralogy and Petrology  
Geological Society of Australia  
Caves House, Yallingup, WA  
November 2 – 6 2021

## *SECOND CIRCULAR*

Join us in the beautiful southwest of Western Australia for the latest developments and discoveries in rock and mineral chemistry down under. An intimate five day meeting comprising talks, posters, discussions, field trips and social gatherings. Including a visit to the Greenbushes Lithium Mine.

Themes: Low and high T processes, Critical Minerals, Global Cycles

Keynote speakers: Prof. Martin Van Kranendonk (UNSW), Prof. Kliti Grice (Curtin U.), Dr Margaux Le Vaillant (CSIRO)

The venue: Historic Caves House Hotel, Yallingup
